

# **ISESCO to participate in 5th World Water Forum**

**March 19 - 2009**

**The Islamic Educational, Scientific and Cultural Organization, ISESCO, is taking part in the 5th World Water Forum due to take place in Istanbul, Turkey, from 20 through 22 March 2009, with the participation of a host of water ministers from around the world.**

A meeting of the OIC member states' water ministers will be held alongside this forum to discuss the Muslim world's future water management perspective for the year 2025.

ISESCO will be represented in those two events by External Relations and Cooperation Director Mr Mohamed Ghemari.

For the record, ISESCO's 'Strategy for Water Resources Management in Islamic Countries' with its implementation mechanisms was approved by the 10th Islamic Summit held in 2003 in Malaysia.
