- *Beginning May 16th BAJ AHC will operate every Saturday from 08:00am - 11:00*
- *The Healthcare centre aims to serve the local community better*

The **Abu Dhabi Health Services Company's (SEHA)** Ambulatory Healthcare Services (AHS) recently announced an extension in working days for the Bain Al Jesraen Ambulatory Healthcare Center operating in the Bain Al Jesraen Area in the Emirate of Abu Dhabi. To serve the community better, the centre will now operate on Saturdays as well, with effect from May 16, 2009, from 8 a.m. till 11 p.m.

Bain Al Jesraen Center was established by SEHA-AHS with the purpose of providing healthcare services to the population residing in the Emirate of Abu Dhabi. It was officially inaugurated by H.H Sheikh Hamed Bin Zayed Al Nahyan Chairman of the Abu Dhabi Crown Prince's Court, H.E. Dr. Ahmed Al Mazrouei, Chairman of HAAD and H.E. Saif Bader Al Qubaisi, Chairman of SEHA on April 13th, 2009. The Center currently operates five days a week, Sunday to Thursday, from 8 am to 11 pm. Saturday operations will have the same timings.

"This initiative has been undertaken in line with our aim towards providing the community of Abu Dhabi the best possible healthcare that is most convenient to its residents", said Dr. John Evangelista, Director SEHA AHS. "We believe in continuous enhancement, in terms of quality as well as accessibility. This development is a witness to our commitment towards providing quality healthcare in line with the expectations and needs of the community", he added.

The Bain Al Jesraen Healthcare Center is fully equipped and staffed with experienced practitioners and doctors to meet key family healthcare requirements. The center houses experienced physicians, specialists and consultants that offer diagnosis, treatment and consultation.

Bain Al Jesraen's new working week, i.e. Saturday - Thursday will take effect from May 16th, 2009. The centre can be reached at Tel: 02 5584611 or Fax: 02 5583041.
