

# Dubai Healthcare City opens doors to Ayurveda, Homeopathy

January 11, 2009

Dubai – **Dubai Healthcare City**, a member of Tatweer today announced that it has started to implement the principles of alternative medicine The Complementary and Alternative Medicine (CAM) Council, set up by the **DHCC** is the overseeing authority for licensing the CAM professionals under specific rules and regulations as well as its other regulatory functions.

The council set up by **DHCC's** Centre for Planning and Quality (CPQ) and is led by prominent alternative medicine practitioners.

This will open doors for the traditional Indian medicine of 'Ayurveda', the Chinese medicine and Homoeopathy.
