*AACSH announces the launch of first Post Natal Recovery Clinic in the world*

13 May, 2009

Dubai: Dubai Ladies Club, a member of Dubai Women Establishment held a one-day Post Natal Recovery clinic in collaboration with the American Academy for Cosmetic Surgery Hospital located in Dubai Healthcare City. The event coincided with the official launch of NEW YOU, a specialised post natal recovery clinic and a full line of medical and wellness services which will be available at Al Shehana Medical Spa and Al Ghezlan Anti Aging Clinic at the American Academy of Cosmetic Surgery Hospital.

Dr Jeehan Qadir, Executive Chairperson of AACSH and founder of NEW YOU clinic gave a presentation and speech which explored women's post delivery needs as well as the holistic and medical treatments available to them. Announcing the launch of the state of the art NEW YOU clinic Dr Qadir said, "The American Academy of Cosmetic Surgery Hospital receives patients from across the Gulf region. We recognised that there was an urgent need for a modern, technologically advanced post natal recovery clinic that could educate and care for expectant and new mothers, so that they can go on to care for the next generation." Following the presentation, guests were able to address their questions to Dr Qadir and her medical team during one-to-one consultations sessions.

This event is part of a series of health workshops being organised by Dubai Ladies Club in collaboration with American Academy for Cosmetic Surgery Hospital in order to shed light on crucial women's health and well being topics that have been rarely discussed.

Muna bin Kalli, Executive Director of Dubai Ladies Club, said, "We are delighted to collaborate with the American Academy of Cosmetic Surgery Hospital in Dubai Healthcare City to launch the NEW YOU clinic. This is merely the beginning and we look forward to continue working closely with their team of medical experts to deliver many more workshops focussing on women-related health issues and needs."

AACSH is a comprehensive medical and cosmetic facility that accommodates the needs of the region by providing optimal care, services, training, and public awareness. Their medical team consists of world-renowned dermatologic surgeons, facial plastic surgeons, head and neck surgeons, oral and maxillofacial surgeons, plastic surgeons, or ocular plastic surgeons - all of whom specialize in cosmetic surgery. AACSH is an organization that represents all cosmetic surgeons in the American Medical Association through its seat in the AMA House of Delegates.
