

Jordan Insurance Company participates in the 2nd International Conference in Insurance and Marine Transportation

May 13 - 2009

Under the Patronage of H.E. Hosni Abu Ghaida, Aqaba Special Economic Zone Chief Commissioner, Jordan Insurance Company participated in the Second International Conference in Insurance and Marine Transportation.

The conference was held at the Intercontinental Hotel in Aqaba from May 11th and will run until today May 13th.

Major Local, Regional and International Insurance and Reinsurance Companies, Shipping and Transportation Associations, International P&I Clubs, Ship Owners, Freights Forwarders, Logistic Companies, in addition to the presence of distinguished Jurists, Judges, Lawyers and Experts in Insurance and Marine Transportation attended the conference to discuss topics such as piracy, risk management, Marine reinsurance and loss settlements presented by local and international experts.

Mr. Imad Abdel Khaleq the Managing Director of Jordan Insurance Company said:

'This conference is considered one of the most important events for insurance companies that discusses subjects of great concern to the insurance sector and allows us to exchange our experiences, which will have a positive impact on the economic situation.'

The conference hosted 260 experts, specialized in technical and legal issues of Insurance and Marine Transportation, along with representatives from the Jordanian Judicial System.
