

Khorfakkan Welcomes One of Region's Largest Ships

15 December 2008

SHARJAH – **Gulfainer**, the region's leading port management and logistics firm, announced that its **Khorfakkan Container Terminal {KCT}** received the 'CMA CGM VELA' on Thursday.

At 11,000 TEU, the 347-metre long ship is not only the largest ship handled by **Gulfainer** since its inception in 1976, but also one of the largest ever handled by any port in the region.

On hand to welcome the massive vessel was **Gulfainer's** Commercial Manager, Keith Nuttall, and Terminal Manager, Dag Froehmcke, who made a 'maiden call' presentation to the ship's master, Captain Wilhelm Cubasch, on Friday to commemorate the historic occasion.
